

Syllabus (Revised 8/25/20)

Course Objectives:

Students will understand the skills required for good on screen performances including the following skills:

Emotional Control

Body Control

Voice Control

Character Development

Being “In the Moment”

Making Choices

Overcoming fears

Good relationships

Auditioning.

Course schedule:

12 section course / 60 hours of course work including:

Video Lessons

Video Demonstrations

At home assignments

Student Learning Outcomes

When students have completed the course they will understand the basic skills that make up a good screen performance and how they differ from an on-stage performance. They will have prepared a monologue and filmed themselves performing it on their own, using the skills learned in the course.
